

GIVE ME AN INCH

Everybody is so confused now
Even though we ain't got nothin' to lose anyhow.
I'll take my time.
You go your way and I go mine.
But maybe we could spend some time together.
Take a walk depending on the weather.
I got nothin' to do, 'til tomorrow.
How 'bout you?

Give me an inch and I'll take a smile.
It's a cinch to be sane, but, it's not you're style.
If it's all the same, you can take the blame for a while,
But, not too long.
'Cause we don't know if it's right or if it's wrong.
But, if you'll give me one more day, I'll make you stay.

What's the rush, there is no hurry now.
Don't say too much, there is no worry now.
Can't do it all.
You're only one and we're in it just for fun.
And it's a picture perfect post-card day.
And all I really want to hear you say is you got nothin' to do til tomorrow
won't you tell me that it's true.

Give me an inch and I'll make you mine.
You don't have to be so cruel to be kind.
If it's alright, I can take the blame for tonight.
Give me an inch and I'll take a smile.
It's a cinch to be sane, but, it's not your style.
If it's all the same,
You can take the blame for a while, but, not too long.
'Cause we don't know if it's right or if it's wrong.
But, if you'll give me one more day,
One more minute did I hear you say?
That you'll give me one more day.
Stay.

Oh yeah man you got to let yourself be boy
Oh yeah boy you got to set yourself free man.
Oh yeah man you got to let yourself be boy
Oh yeah girl you gotta set yourself free now.
Oh yeah man you gotta let yourself be boy.
Oh yeah boy you gotta set yourself free man.
Oh yeah man you gotta let yourself be boy.
Oh yeah girl you gotta set yourself free now.

GIVE ME AN INCH, continued

Give me an inch and I'll take a smile.
Oh yeah man you gotta let yourself be boy.
It's a cinch to be sane, but, it's not your style.
Oh yeah boy you gotta set yourself free man.
Give me an inch and I'll make you mine.
Oh yeah man you gotta let yourself be boy.
You don't have to be so cruel to be kind.
Oh yeah girl you gotta set yourself free now.
Give me an inch!
Oh yeah man you gotta let yourself be boy.
Give me an inch!
Oh yeah boy you gotta set yourself free man.
Give me an inch and I'll take a smile.....

Oh yeah man you gotta let yourself be boy.
Oh yeah girl you gotta set yourself free now

Oh yeah man you gotta let yourself be boy.

Oh yeah boy you gotta set yourself free man.

Cinch to be sane, but, it's not your style.
Oh yeah man you gotta let yourself be boy.
You don't have to be so cruel to be kind.
Oh yeah girl you gotta set yourself free now.
Cinch to be sane, but, it's not your style.
Oh yeah man you gotta let yourself be boy.
You don't have to be so cool to be mine.
Oh yeah boy you gotta set yourself
free man.

Repeat four times.
Last time....

Oh yeah girl you gotta set yourself free.
